PROFESSIONAL SUMMARY

Prolific, work ethic, collaborative, creative, enthusiasm, energetic, self-taught and motivated Web Developer with 2 years of experience, I have a huge passion about building world class web applications. I have worked on multiple projects through out my career that makes me a good candidate to drive any project from start to finish as part of a team and alone if required.

Being part of a growing campany and motivated team will help me grow my skills while adding my value to projects that matter for the company.
